Dear Eagle Scout Parent(s):

Congratulations on your son's successful completion of his Eagle Scout Board of Review! The Apalachee District wants to publicly recognize your son in the Atlanta Journal-Constitution, the Gwinnett Daily Post and other community newspapers. There are several ways you can help:

1. Go to <http://www.apalachee-bsa.org/> and click on "The Eagle Scout". Click on "Eagle Media Release" and fill out the form, then click Submit. This is the preferred way to get information to the local papers. After May 1, 2009, you will be asked for a login and password:
2. email (scan first) to Marketing@apalachee-bsa.org
3. fax (770-736-9571)
4. mail to 130 Millennial Court, Lawrenceville, GA 30045

Do not send it to the Scout office!

We also need for your Eagle Scout to provide a short write up with the following information:

- Full Name
- Troop # & Charter Organization
- Parents and/or Grandparents names
- School / Grade
- Date his Eagle Scout Award was received
- A brief description of his Eagle project, no more than 1 or 2 paragraphs, such as cost, materials, man hours, volunteers, etc.
- How many merit badges were earned, leadership positions and anything else you would like to add.

Please note this information will not appear until after your son's credentials are received from the Boy Scout of America's national office. We appreciate your help in promoting Scouting in the local community. If you have any questions, please call me at 678-644-7244. Again, CONGRATULATIONS!

Yours in Scouting,

Virginia Smith
