

My Eagle Board

OK you have completed all the requirements... Now what?

Once you have complete all of your Eagle Scout Rank Requirements, you are ready for your Eagle Scout Board of Review. Here in the Apalachee District, all Eagle Scout Board of Reviews are held and staffed by the Apalachee District Eagle Board as stipulated by the Northeast Georgia Council of the Boy Scouts of America. You will need to file your Eagle Scout Rank Application directly with the Northeast Georgia Council through one of their service centers. Along with your application, you will need to file a complete write-up of your approved, and completed Eagle Scout Leadership Service Project, and the appropriate letters of reference. Once the Northeast Georgia Council reviews your application, they will return your application to the Apalachee District Eagle Board Chairman for a detail review. Upon the Eagle Board Chairman's initial review, the Chairman will contact you directly concerning your Eagle Scout Board of Review.

Please note:

The Eagle Scout Rank Application process can take as long as two weeks to complete. Eagle Boards are usually booked two weeks in advance. The Apalachee Eagle Board can not schedule your Eagle Scout Board of Review until the Chairman has reviewed your application. Letters of reference are to be in sealed envelopes, and should be directed (addressed) to your Scoutmaster. Reference letters must match the persons listed as references on your Eagle Scout Rank Application. All requirements must be completed before your 18th birthday - please read all Eagle Scout Requirements, the Eagle Scout Leadership Service Project Workbook, and the Eagle Scout Rank Application in close detail. Keep in mind that you will need an additional three copies of your Eagle Scout Rank Application, and Eagle Scout Leadership Service Project write-up for your Eagle Board...

"Be Prepared"...
